

Dear Homeschool Parents:

Wolf Creek Ski Area understands that your children's ages range from kindergarten to seniors in high school and thus, would like to extend the School Program to your families as we do local public schools. Everything will be the same *except* for students ages 5 to 8. We will *not* be accepting Wolf Pups (age 5-8) in our school group program. We will be offering our "Camp Robber" clinic which will allow children ages 5-8 to get 3 weeks of paid lessons with one free week and free rentals. Call the ticket office if you would like to be a part of "Camp Robbers." The cost for the school group program will be \$27.00 (regularly \$153.00, a 75% savings). You will need a minimum of 20 students in the homeschool group to participate in the program.

The younger children will be dropped off (and signed in by a parent) and picked up (signed out by a parent) at the Base Camp Building where their rentals will be waiting for them. It is important that everyone participating in the school group program meet in base camp in the morning and at lunch. Drop off will be in either the snowboard rental or ski rental depending on which sport the student is doing. A chaperone needs to be present to pick up all students.

The procedure is the same for our homeschool families as our public schools. Please read the complete package with all the information you will need.

We enjoy having local children at Wolf Creek Ski Area and look forward to exploring the mountain with them! All School Program Students are invited to bring up their immediate family for skiing on February 12, February 26, March 25, April 1, April 2, April 8, and April 9, 2023. A special rate of \$15.00 is available for an all-mountain lift ticket, 2-hour morning lesson, and ski rental. A snowboard rental is \$10-.00 extra. Posters will be sent home in early February about Family Days. Call Wolf Creeks school group coordinator (970)264-5835 if you have any other questions.

If you have any questions, please ask your Home School Coordinator and if they do not have the answers, they can contact us and we will be happy to assist.

Sincerely,

Rosanne Haidorfer-Pitcher
VP of Marketing & Sales
